CAUTION . . . . . .

For no money is advanced by Financial Directory Canvassers. We are led to mention this here because some have been fraudulently using our publications as specimens, and by their means collecting money in advance. Before signing an order, see that it has the name of the publisher of the City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.
